**Judge's Notes:**

- Disclosure Statement, Plan, and Summary have now been filed.
- Wahlquist: Revised MORs filed. Still some issues, but generally minor items that can be fixed. Debtor Questionnaire needs to be completed on each MOR. Check registers need to be sent in. Need explanations detailing the "other" category in MORs.
- Debtor filed motion to employ accountant. Will provide assistance with MORs.
- Wahlquist: Seeks a continuance to the time of the disclosure statement hearing to see if all issues have been resolved. If so, then can withdraw the motion at that time.
- MORs must be done correctly going forward and must resolve the issues raised by UST.

**OUTCOME:**

- Motion continued to the same time of the disclosure statement hearing, which will be scheduled by an order issued on Tuesday. When that date is selected, a Text Order will be issued scheduling the continued hearing for the same date and time on the UST's Motion.
